

POLICE PATILS

Reservation of posts of .....  
for member of the Backward  
Classes.

GOVERNMENT OF MAHARASHTRA

Home Department,

Circular No. BVP 1267/53037-VI,  
Sachivalaya, Bombay-32, 2nd August 1969.

Government has decided that in accordance with its general policy of reservation of vacancies in Government service for members of the Backward Classes, a certain percentage of the posts of Police Patils should be reserved for members of the Backward Classes for the purpose of this reservation. The grouping of the various sections of the Backward Classes and the percentage reservation of posts of Police Patils for each section should be as set out in Government Resolution, General Administration Department, No. BCE 1064-III-J, dated the 9th April 1965 as amended from time to time. The various instructions in that Government Resolution about the manner of achieving the requisite percentage and implementing the reservation orders should also be treated as applicable to the reservation of posts of Police Patils for members of the Backward Classes.

It is obvious that the requisite percentage for the members of the Backward Classes cannot be maintained village-wise as each village is a unit for the purpose of recruitment and only one Police Patil is usually appointed for one village. The prescribed percentage should therefore be maintained on an overall basis in each Sub-Division. With a view to achieving this end, the appointing authorities should give preference to candidates from Backward Classes, other things being equal.

2. These orders take effect from the date of issue and are applicable throughout the State.

3. Government is also pleased to direct that all appointing authorities should take particular care to see that these orders requiring reservation in favour of members of Backward Classes for the posts of Police Patils are followed scrupulously.

By order and in the name of the Governor of Maharashtra,
